

Addendum to the Application to Open and Activate a Swap-Free Account for a Client of Alpari NZ Limited

Version: April 2010

Swaps for the rollover of a position overnight are not applied to Swap-Free accounts.

In connection with the aforementioned, clause 2.11 of the Terms of Business for MT4 shall assume the following meaning for this group of accounts:

Rollover

2.11. All positions remaining open from 23:59:45 to 23:59:59 (server time) will be subject to Rollover. A commission is taken for the rollover of a position overnight in the size specified on the Contract Specification page on the Alpari NZ Limited website, which as the release of this document is located at www.alpari-forex.com.
